

DIANA WU, DDS

Diana Wu is the founder and lead dentist at Issaquah Premier Dental. She built and started the practice in 2017 and has since achieved greater than average growth in a highly competitive market. She envisioned a practice that disrupts the norm of traditional dentistry, with the goal of providing seamless patient experience and care. Using the most advanced technology in a state-of-the-art facility, dental visits are now becoming a more pleasant and informative experience, as validated by her consistent and often unusually long 5-star patient reviews. <https://www.issaquahpremierdental.com/patient-reviews/>

Dr. Wu grew up in Cebu, Philippines where she studied dental medicine at Cebu Doctors' University. She later moved to the United States, where she pursued her Doctoral Degree in Dental Surgery and graduated with high distinction from Indiana University School of Dentistry while simultaneously being involved extensively in research. She was inducted into the Theta Theta Chapter of Omicron Kappa Upsilon National Dental Honor Society and received numerous local and national research and leadership awards including the Proctor & Gamble Award for Excellence in Preventive Oral Health Care, the American Association of Women Dentists (AAWD) Eleanor J. Bushee Leadership Award, and the AAWD Colgate Research Award.

With a passion for progress, Dr. Wu stays up to date on the latest techniques and cutting-edge technologies, which she implements in her practice. She feels incredibly blessed to be in a profession where she meets a multitude of people, positively affecting their lives by improving oral health and creating beautiful smiles. When she is away from dentistry, Dr. Wu enjoys trying different restaurants, enjoying outdoor activities such as running and hiking. Growing up in Southeast Asia, Dr. Wu learned several languages and is fluent in English, Tagalog, Cebuano and Mandarin Chinese.
