- ✓ Entry Fee: \$125 per person includes green fees, prizes and boxed lunch
- ✓ Cart Rental: \$15 additional
Call Mount Si to reserve: 425.391.4926

Play

Shotgun starts are back! This means we no longer are required to do well-spaced assigned tee times for each team & golfer.

Scoring

Scramble is the scoring for the tournament. Current U.S.G.A. standards regarding course etiquette, club and ball design shall be observed by all participants. The only exceptions or restrictions to these rules will be those observed by the local golf course. This is an amateur tournament. Professional golfers are welcome to play but will not be eligible for awards or prizes.

How Scramble Works

Each member of the team tees off from the designated tee marker (typically white for men and red for women). The team then chooses the best drive from all four shots. After selection of drive, all team members must hit from that position. Again, after each team member takes their shot, they choose the best shot from there. And continue this pattern until they get their ball in the hole.

The best shots will be decided upon by the team, and the score will be calculated on that basis. In most cases, the team will choose the longest shot in the fairway as their best shot. The net score is calculated based on the total scored by each team.

Scoring by the players will be the same as normal individual stroke play. All shots, penalties, etc. will be counted. Players may purchase up to two (2) mulligans.

Mulligans

When players register online, they have the option to purchase up to two mulligans at \$5.00 each. It can be used for any golf shot during hole play. No foursome may use more than 2 mulligans in succession and there is a maximum of 2 mulligans per player for the tournament.

Food & Beverages

- ✓ There will not be a banquet/lunch after the tournament due to social distancing rules.
- ✓ All lunches will be a grab-and-go boxed lunch.
- ✓ You may pick up your lunch before, during or after your round of golf.
- ✓ Mount Si will have a beverage cart making the rounds around the holes. They follow strict protocol for your safety.
