Chairman's Circle

\$6000+ Annually

Leading the way in Growth, Leadership and Community. This level supports the economic vitality of the region and the Chamber's efforts as the catalyst for business growth.

As a top investor you put a strong economy on your list of priorities. You understand that the wealth and resources in our region can benefit all businesses and are willing to pay it forward. As a Chairman's Circle member you stand alongside the Chamber, your name appearing in our regular communications.

Civic Leader

\$2500 Annually

This level is for partners who value and understand the importance of advocacy on behalf of the business community.

Your investment allows the Chamber to represent business to local and state government. It supports participation at the Chamber's Day in Olympia, partnership with the East King Chambers Coalition, and representation at City Council meetings.

Community Partner

\$900 Annually

Support the Chamber's Community Outreach programs as a Community Partner.

This level of investment promotes connecting business with the residents within the region, partnerships with non-profits and events designed to build a strong community. Your partnership supports making the eastside a great place to live, work and play.

Corporate Member

\$485 Annually

Be part of the largest organization in the area dedicated to the promotion and advocacy for the businesses in the community.

Become an active part of the business community through your investment. Members have a distinct advantage of being in the know and having access to services and people you need in order to succeed.
