# WHERE CAN I SEE THE SALMON?

The Issaquah Salmon Hatchery, located off of West Sunset Way in downtown, is the most popular spot to watch the salmon returning upstream.

The Issaquah Salmon Hatchery was completed in 1937 as a Works Progress Administration project. Today, the Issaquah hatchery is the most-visited state hatchery, with up to 350,000 visitors a year. Friends of the Issaquah Salmon Hatchery (FISH) trains guides who amaze visitors with the depth of their knowledge about the Northwest salmon life cycle, the importance of watershed stewardship and the operations of the historic hatchery.

*Want to explore Issaquah a bit more? Other areas where you might spot our fishy friends include:*

(655 Rainier Blvd N)

W SUNSET WAY BRIDGE  
(West of the Hatchery)
